Dear Club,
This summer my boyfriend Gavin and I went on holiday to Ibiza. Most days we'd get up late. Then once we'd snacked we'd head to the beach. After a couple of days Gavin, who is crap about using sunscreen, got sunburned and decided to give the beach a miss. So while I was lying in the sun he said he would just hang in the apartment complex.

I was fine with that. I had brought some magazines, and selfish as it may seem I was looking forward to going on the beach alone and having a bit of a flirt. I'm not really big-headed or anything, but I have a slim figure, well toned legs and a pair of perky C-cup puppies.

It wasn't long before I had several offers from fit-looking blokes to rub sunscreen on my back so I choose the sexiest guy, stretched out and enjoyed being pampered. His name was Rob and when his fingers crept a little too far south while he was putting the cream on I said nothing and allowed him to touch me up. Later when I got up to leave he was disappointed to learn I was on holiday with my boyfriend, but I promised him a dance later if we met up at the club that night.

Strolling back to the apartment I caught sight of Gavin parked in one of the beach-front disco bars. I was not amused to see that he was already fairly drunk. We went back to the apartment to change and eat before going out, and I could not help bitching at him for spoiling the evening, not least because I'd

become seriously horny from the illicit friggng Rob had given me at the beach.

Gavin promised to slow his drinking down so he could perform properly that night. Mollified, I wore one of my sexiest skin-tight dresses and we left for the clubs, where we hooked up with some friends we'd made during the week. I danced with Gavin, then with a few of the girls and then with a couple of guys. Then I saw Rob heading towards me through the crowds.

He looked even better than earlier, and I wanted to make Gavin jealous to get him back for spending the afternoon boozing. Dancing with Rob was fun as he was a total extrovert like myself. We had a wild time and when I noticed Gavin weaving unsteadily over to the bar I was well pissed off. When Rob and I slow-danced I let him feel me up, and

when I reciprocated and gave his meat a bit of a squeeze I was delighted to find his cock was massive.

With a feeling of regret I finally excused myself and went to find Gavin... only to discover him passed out on a bench. I tried to wake him but he was totally out of it, so I took his wallet for safety and returned to look for Rob. I had been looking forward to some shagging and if Gavin was not up to satisfying me then Rob would more than make up for it.

Rob was delighted to see me again and we walked across the road away from the clubs and bars and onto the beach. It was a bright enough night that we could see where we were going, and as soon as we were far away enough from the street lights we began kissing and feeling one another up.

“ I enjoyed toying with his massive member, tonguing it and then sucking it.”

I could barely wait to get at his massive cock and once I had it free from his pants I was not disappointed. It was a fistful – long, hard and topped with a thick juicy helmet. The sand was warm and soft and I dropped to my knees and sucked it between my lips. I enjoyed toying with his massive member, tonguing it and then sucking it deep. This of course got Rob really excited and he began fucking my mouth harder until I was afraid he would

“His big cock stretched me so much that it was like my first time again.”

shoot before I'd had my satisfaction.

I backed off and rolled, pulling him down on the sand beside me. He had his trousers and boxers off quick-style and we got right down to business with me almost tearing my dress off and allowing my bra-less tits to swing free.

He rolled me onto my back, and, straddling me, grabbed my tits and squeezed them together, licking and sucking at my nipples. I was fucking mad to feel his cock inside me so I squiggled around, bucking, until he was in position. I thought briefly of Gavin and smiled as Rob pulled my legs wide and entered me, almost making me come as he plunged his thick cock-head inside my pussy.

My nails raked his back as Rob fucked me hard, bringing me close to orgasm quickly as his long rod penetrated me deeper than any dick I'd had before. It hurt a little at first because he went at me so fast but I enjoyed the sheer animalistic nature of this fucking. His big cock stretched me so much that it was like my first time all over again.

I squealed with delight wriggling under him as he ploughed in and out of my hot wet box.

We could hear the music and laughter in the distance and when I remembered Gavin passed out at the club my pussy squeezed Rob's whopper harder and harder, attempting to force him to ejaculate. As my nails dug deeper I sensed him stiffen and his cock felt suddenly bigger inside me. Then with two really hard shunts he basted my pussy with his spunk, making me quiver as my pussy wildly spasmed and I came repeatedly, eventually flopping back on the sand and savouring the greatest shag of my life.

Gavin, of course, was none the wiser, and I managed to hook up with Rob several more times before we finally flew home.

What a holiday!

Gemma, Manchester

What's brought Courtney to the locker room?

"I was in need of a bit of pampering, so I've indulged myself in a spa day. I'm booked in for a massage after this shoot, followed by steam and bubbles."

Climbing in the old jacuzzi, I see.

"Well yes, but I was referring to the champagne I'm going to be sipping while in the jacuzzi."

Courtney's clearly a girl who likes to enjoy herself in style, and later we hear the little minx was making eyes at the masseuse, so we'll let you enjoy her before she does.

And we might just publish your golden oldie

Dear Total Recall,
I've been a loyal reader of Club for many
years, and I'm writing in the hope that you'll
be able to publish Jo and Kat from Vol.35.09
in your brilliant section. My prick is absolutely aching to
see them again after more than a decade.
Keep up the good work!
Liam, Co Durham.

Here's a fresh face for Club as the beautiful and youthful Lola takes to the lens in style. Afterwards, Lola confesses she can be quite shy on occasion. Though we wouldn't have guessed it, especially after she whipped out her favourite toy for a quick play, as she was "...turned on by the thought of everyone seeing my pictures, I was so horny I thought I was going to explode!"
You can explode all over us anytime you like...

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

Dear Club,

I had taken a day off in April on what turned out to be one of the hottest days of the year so far and I decided to do some work in the garden. It did get very warm, and by mid afternoon I thought I would stop, grab a beer and enjoy the sunshine. I was a bit grubby so after clearing up I went in for a quick shower.

I was just about to go upstairs when the doorbell rang. I thought about ignoring it but was glad I didn't as standing on the step was a very pretty young girl. There was an awkward pause before she spoke.

"Sorry," she stammered at last, "you're the first person to answer the door today and not shut it again. I am campaigning on behalf of the..."

I interrupted and named her party. "Yes that's right," she said before realising I was nodding at her T-shirt which had the party name emblazoned right across her tits. It was, in fact, her tits that had first caught my eye. She was a busty girl and the T-shirt was tight fitting and it was very obvious she was not wearing a bra.

She giggled, then said, "Sorry, I'm a bit nervous, it's my first time campaigning. I'm making a bit of a mess of this, aren't I?"

I told her not to worry and that I suspected it hadn't helped that I was just in a pair of shorts.

"Well it did throw me," she said.

I don't normally have much time for doorstep campaigners, mainly as I have been a life long supporter of the same party, but I was keen for her to hang around. She was very cute, long dark hair with a slight curl, very pretty with very natural looks and little sign of make up. As I said, I'd already had a good look at her sizable tits and she was wearing denim shorts and had shapely legs.

"You can practise on me if you want, but you will have to give me five minutes to have a shower first." Her face lit up.

"Shall I come back?" she asked.

"No, why don't you make the most of the garden and you can then convince me over a beer?"

She didn't answer but instead took me by surprise and took a step in, bumping into me as I held the door. I moved out of the way and showed her in, noticing a very nice rounded arse as she walked ahead of me. By the time we reached the garden, via the kitchen, where I got her a beer, I had learnt her name was Chloe, she was 19 and a student.

"You have a lovely garden," she commented.

"Yes I spend lots of time out here and its completely secluded, so make yourself at home. Right quick shower, then I am all yours!" I said, probably a bit too hopefully as my eyes wandered over her body again.

I did have a very quick shower and wrapped a towel round me before going to one of the back bedrooms that overlooked the garden. I was shocked by what I saw but very happy as Chloe had obviously accepted the invite to make herself at home. She had pulled another chair round and was stretched out with her feet up and she was now topless, her T-shirt hanging off the back of the chair. It was difficult to see her tits clearly from up there, though, so I quickly headed downstairs.

I decided to go down as I was. I stopped in the kitchen and got two more beers and walked out into the garden. I walked up behind her, my cock stiffening under the towel as I got closer. Her eyes were closed.

"Another beer?" I said, making her jump.

"Oh shit, sorry I thought you would be longer!" she stammered.

"Stop apologizing!" I replied quickly hoping to put her at ease, making no attempt to

cover the rock hard erection I had under the towel.

She had a great pair of tits, at least a C if not a D cup, with great big brown areolae and nipples that stuck out invitingly.

Deciding to take things nice and slowly, I handed her a beer and sat on another chair beside her. I knew she'd have spotted the bulge in my towel, and sure enough, it wasn't long before I caught her sneakily glancing across at it. Eventually the sexual tension became unbearable, and I reached out a hand, gently resting it on her thigh. She gave a little jump but then relaxed as I slowly slid my hand up her body until I reached her fulsome left tit, which I began to gently squeeze and caress.

Chloe let out a quiet moan and I felt my cock stiffen further. I could stand it no longer... Standing up, I walked towards her, lifted her to her feet and we kissed, pushing our bodies together, the stiffness of my erection pressed against her while my hands reached under her short skirt and caressed her naked arse. I kissed her neck, making her moan and I was eager to get my mouth on those lovely tits. I kissed her nipple and could feel her shake as I sucked her nipple into my mouth, making sure my teeth gently nibbled her, whilst my hand groped her full bum cheeks.

Her tits were wonderful, and I soon discovered she liked having her tits gently bitten as I bit and sucked on her tit just above her nipple.

"Harder!" she moaned, and I did, and after a good while of sucking and biting, there were several marks on her tits.

I broke contact and Chloe looked at herself, "Oh God look at the marks, that's so horny, I thought I was going to come just by your biting me."

I took that as a hint and reached down with my finger and found her clit, which was hard and very prominent. I sucked a tit back into my mouth and slowly wanked her clit. Her orgasm didn't take long and she was soon moaning and shaking as she came.

We kissed again as she recovered, and for the first time she touched my dick.

“ I sucked a tit back into my mouth and slowly wanked her clit...”

“You’re so stiff!” she said as she wrapped her hand around my cock. I could have easily fucked her then but I was also very aware that I don’t get many chances to enjoy a 19 year old honey in my garden.

“And I hope you enjoy it,” I replied, “but first I have to taste you.”

I led her to one of the chairs, where she sat and opened her legs wide. I smiled as I knelt before her. She had a lovely pussy and I could see her juices glistening on her lips. I took one long lick along her lips, making her shudder again before enjoying her pussy lapping and probing between her lips. I took my time, loving her taste, my face soaked with her wetness. She was writhing in the chair now and I began to focus on her clit. I licked her slowly and I could, hearing her gasping as I

I lay back and watched in wonder as she licked the shaft of my dick.”

did so. As I licked her clit I pushed a finger between her lips, and I could feel her pushing herself against forward my mouth.

She lifted her legs and wrapped them over my shoulders, giving me even better access to her soaking cunt and she pulled me in. I licked and fingered her more powerfully now and I could hear and feel her enjoying the licking until she shook violently again, pushing me away.

I looked up at her. “That was amazing! I orgasmed so hard I had to stop you.”

I hadn’t realized, and was a bit worried she may be a bit too sensitive now to fuck.

However, my concerns were quickly dispelled. She slipped off the chair and as I sat back on the grass, she positioned herself over my cock and began to guide me in. She wrapped her arms around me and was gasping as I pushed my dick into her very wet but still very tight cunt. I started to fuck her slowly, but Chloe pulled back and looked at me; “Fuck my arse off!” she ordered.

It was going to be hard to hold out anyway

and I didn’t need any further encouragement as I held her by her bum cheeks, lifting off the ground with each hard pump. It was lucky there are no immediate neighbours, because Chloe was as loud as anyone I had ever fucked before, her language in between yelping and screaming becoming increasingly colourful as she told me to “Fuck her hard” and “spunk in her hungry little cunt.”

Well, despite everything I hung on for as long as I could, marvelling at the sight of her wonderful boobs as they bounced before my eyes, but eventually the sensation of her slippery little cunt round my cock proved too much for me, and within two or three minutes I grabbed her hips, bucked my hips even harder and shot what felt like a pint of my hot seed inside her.

She stayed sitting on me as we recovered our breaths and kissed. Then, finally, she lifted herself off me whilst pushing me back on the grass. I lay back and watched in wonder as she licked the shaft of my dick.

“I love tasting myself!” she said, which was enough to get me fully hard again. “Wow!” she added, “you really do have the stiffest erection...” before taking my bell end fully into her mouth.

The thought of her tasting our combined juices on my dick was really getting me going, and although you could tell she may not be the most experienced girl, her enthusiasm to please had me soon ready to spunk again. I told Chloe I was going to come and she told me to hold it for a few seconds. Repositioning herself, with her arse cocked in the air, I couldn’t believe my eyes as she spread her cheeks ready for my explosive tool. I plunged into her incredibly tight hole that gripped my dick like a vice, only managing a few strokes before my balls tightened and I unloaded in her arse spurt after spurt of spunk.

We lay in each others arms for a few minutes before I reached for our beers. We both stayed naked and sat chatting and drinking as the sun faded. After a while, she said she was beginning to feel chilly and she asked, “Is your shower big enough for two?”

“It is,” I said, leading her into the house and up to the bathroom. We showered together and I again had the chance to enjoy sucking her tits before we put some robes on and sat together in the bedroom before I set about spending the next hour kissing, nibbling, licking, biting and enjoying her wonderful body. She came twice more before falling asleep.

When she awoke I had made us some dinner and we shared some wine before falling back into bed for the night. I left her alone then – well at least until the morning when she woke to feel my erection again pushed against her and we started all over again.

Geoff, Harwich.

Watch out Brookie's about, and we do mean that literally, as tearing your eyes away from this bountiful lady will prove difficult. So we thought a little warning might come in handy for your Mannie, as he'll instantly begin to swell at the sight of Brookie's F-cups that are snugly tucked away currently, but she's already told us with a wink, that she can't wait to unleash her puppies for our readers. You won't need your glasses on for this, so sit back and enjoy a blessed woman.

Dive in, is the phase I think I'm looking for when it comes to Valentina Nappi as the saucy temptress invites us for a dip. "Come on in, the waters lovely and cool."

Which is what I was afraid of, but I manage to persuade Valentina

that watching her glide through the water is much more appealing, and it was made even more so after she had removed her swimwear.

"I like to swim naked and the feeling of my breasts being free in the water."

It's all rather hypnotic, I can tell you that much.

What our well-placed moles are telling us this month...

Weather Warning!

If the girl band B*Witched taught us anything, it's that you can always 'Blame It On the Weatherman', or at least this wannabe. Johnny Mullins, 21, was enthralled by the attention he received via Facebook for his "Weather Outlook" videos but wanted to up the anti and his followers. Mullins admitted starting a wildfire in Lexington, Kentucky, to gain popularity for his weather reporting, but was subsequently arrested and charge with second-degree arson. Mullins misguide attempt to gain popularity seems only to have worked after his arrest, with his last video "Dangerous Forest Fire Continues" gaining more than 5,000 views. Still, I can't imagine Yogi Bear would be too impressed with Mullins.

Fiery Snack!

Who knew a little savoury snack could be so dangerous, but as it turns out Cheetos and other oily snacks work as accelerants. I wonder what the flaming hot version would do? Investigators in Taunton, Massachusetts, reported that Shemory Williams attempted to ignite his girlfriend's house in five different locations, with his victim still inside. Williams wedged a propane cylinder against the house and used a bag of Cheetos to accelerate the fire. According to Police Williams had destroyed her mobile

and cut what he thought were the brake cables under his victim's car as well. Williams was arrested 100-yards from the house, carrying lighters and a pack of Cheetos, he was charged with malicious destruction of property.

Smear Campaign!

This ones a few nuts short of a jar. 32-year-old Christina Ferguson smeared Jif peanut butter on thirty cars; she believed belonged to Donald Trump supports. The vehicles owners were, in fact, members of the Tomorrow River Conservation Club, who were holding a Club meeting when the incident took place. Ferguson reportedly barged in on the

meeting banishing her spreadable weapon of choice and shouted at members about her hate of Trump. Ferguson complied with a request for her to leave the meeting, but it was only then members became concerned over the jar of nutty butter she had been carrying. Ferguson returned to a nearby apartment where she was questioned by deputies and denied leaving the house while licking the evidence off her fingers.

Miss Laken has taken the Club crown this month and for good reason, as you can see. The saucy little mix all wrapped up in a thrilling lingerie set, has been busy flashing her tats and magnificent tits at us. If it weren't rather hot outside, anybody

would be forgiven for thinking it was Christmas, as Kaitlyn slowly unwraps herself and parts her soft thighs to reveal a cleanly shaven pussy with open petals. We just can't get enough of Kaitlyn, so keep your fingers crossed that she'll be back soon!

DOUBLE BUBBLE

A very strange thing happened to me the other night – I shagged my mate's girlfriend. But far from him being pissed off, he was absolutely over the moon, as it was his idea!

I thought things were a little odd from the start, when Steve invited me out down the pub for a few beers, and said that his girlfriend Laura would be coming along too. Well, it is a bit weird, going out for a drink with your pal and his missus. It immediately felt like the three of us were on a date together. And that's exactly what it turned out to be. We were there for two hours, and for some reason I couldn't fathom the whole time Steve wouldn't let me buy a drink – he kept racing me to the bar. And I couldn't help but notice that Laura seemed to be flirting quite heavily with me as well.

After about four pints, when Steve nipped off to the loo, Laura clambered over and sat next to me, rubbing the inside of my thigh and pressing her boobs into my arm. Then she came right out with it, "How do you fancy coming back to ours for some fun?" When Steve appeared two seconds later to see his girlfriend draped all over me, I was sure he was gonna chin me. He's a big bugger too, so I was all ready to throw my hands up in surrender, when he calmly sat down and said to Laura, "So, did you ask him?"

"Yeah," said Laura, her hand swiftly running up the inside of my leg and grabbing hold of my very confused cock, "but he hasn't answered yet."

Evidently, it seemed that Steve and Laura had decided to act out one of their fantasies by having a threesome. Laura had always had a little thing for me, and apparently I was the least likely to cause offence to Steve by fucking his bird in front of him, so they'd picked me. I didn't know what to say – or even to feel a bit offended that I was the least offensive option! However, they'd been pretty canny in getting me just drunk enough to consider doing something like that, and Laura is a seriously good looking girl who I'd often fantasised about fucking anyway. And with her hand slowly massaging my already stiffening cock, it wasn't really much of a decision. I drained my pint and 15 minutes later I was stood in their bedroom in just my pants feeling more than a little sheepish!

I didn't have much time to be nervous, however, as Laura threw off her mini-skirt and T-shirt to reveal a ridiculously small pair of knickers and matching black bra. She climbed up onto the bed, lay back and giggled, "Come and get me boys!"

My cock sprang to attention, and I felt Steve push me in the back, saying, "Get stuck in mate." Well, who was I to refuse?

I crawled over to her, wasting no time in ripping the bra from her, burying my face in her plump, round tits. I groped them roughly with both hands, biting, licking and sucking the hard, swollen nipples as she groaned and writhed in pleasure. All of a sudden her moaning became really loud, and I looked down the bed to see that Steve had peeled off those little panties, and was greedily licking and sucking at her soaking wet pussy.

Laura reached out for me, grabbing my face, and pulled me up to her, kissing me hard and thrusting her tongue deep into my mouth. It was the most intense kiss I've ever had, and she continued to moan and writhe as I pulled and pinched her hard nipples with my fingers. A few seconds later, and she was literally bouncing about on the bed, panting and wailing as she came on her boyfriend's mouth.

It was utterly exhilarating, and I lay back on one side of her, Steve on the other, as her hands found our two dicks and slowly wanked us in unison. Then she suddenly yelped excitedly, "Ooh, sit up boys, I wanna do that thing I've seen on the internet!"

She got us to kneel up facing each other,

which was quite the most uncomfortable experience I've ever had. It's quite difficult to know where to look, when you're kneeling naked in front of your mate, and you've both got boners. I didn't want to catch eyes with him, and I certainly didn't want to find myself staring into the eye of the monster, so to speak. Luckily, Laura broke the tension by again taking hold of our dicks and planting her mouth over each one in turn, diving from one to the other, licking and sucking like a greedy kid with two lollipops. It felt amazing as she swirled her tongue around my bell-end, taking my whole dick into her throat, and sucking the full length of the shaft with her hot, busy lips. But then she kept moving back to him, and it was getting frustrating.

I waited till her mouth was busy with Steve's dick, and pulling away, quickly shuffling round until I was kneeling behind her. I rubbed her pussy a few times, slicking my fingers in her hot, sticky pussy juices, before rubbing them all over my dick and sliding into her in one swift movement. She practically shot off the bed, yelping

“ It felt amazing as she swirled her tongue around my bell-end, taking my whole dick into her throat...”

loudly with pleasure, and I had to grip tight to her hips to stop her toppling us all over in an accident that would be hard to explain to a paramedic. When she calmed down I started thrusting back and forth, sliding in and out of her tight, wet cunt. It felt amazing, and the rudeness of the whole thing, seeing her deep-throating my mate in front of me, seemed to send us all over the edge. I only managed about ten good thrusts before I heard her screaming with another orgasm. I looked up to see Steve's dick exploding in her face, hot, white jets of jizz splattering her nose and cheeks. I pulled out just in time to do the same to her beautiful arse, as I came hard, spunking hard and sending jets of jizz all over her bum and back.

It was quite the weirdest feeling afterwards, laying there panting with the two of them, but

“I felt a tongue push inside my tight bumhole as a pair of hands gripped my buttocks.”

it was strangely all right. Needless to say, the tension was well and truly broken, and Steve and I spent the next few hours fucking his girlfriend in more combinations than I ever knew were possible. And he even paid for my taxi home — which I thought was jolly decent of him!

Craig, Newbury.

TRI-SEXUALS!

Although I've hit 36 I like to think all those trips to the gym haven't been entirely in vain,

and when I'm all dolled up I can still turn a few heads!

Now I'm definitely a girl who likes cock, but now and again a couple of my girlfriends come over to the house on a Friday night, we have a few bottles of wine, watch some dirty DVDs and fuck. We've been doing it ever since a drunken evening about 8 years ago, and while we've all got fellas now, we've never felt like knocking it on the head.

Last week Penny and Kirsten had really made the effort to make the evening special and had dressed up for the occasion. I could hardly take my eyes off Penny's cleavage squashed inside her tight blouse as I took their coats and poured out some vino.

Kirsten had plumped for a very short leather mini-skirt and as we sat in the lounge chatting, I couldn't resist stroking my hand up her black stockings and resting my fingers on the soft white flesh above. We hadn't even got the porn on and I was already gagging for pussy.

Penny loves big dick films (well, we all do, really!) and soon the room filled with the sound of lovely fat pricks squelching in and out of sodden cunts as we snuggled up on the sofa. As I watched a sexy slut stretch her mouth around a giant cock on the screen, Kirsten slipped her hand up between my thighs and began to rub the damp mound of my cunt through my panties. My own hand wriggled inside Penny's knickers and I pushed one finger all the way into her tight, hairless slit. She moaned with pleasure and spread her legs so I could get deeper inside her. I added another finger and started to work them in and out as Penny leant over for a kiss. Our tongues swirled around each other's mouths as she expertly released my firm tits from my bra and tweaked the nipples until they were hard.

Kirsten did the honours and latched her lipstick lips around one bulging teat, nibbling the tip as she continued to poke my twat. One of the guys on screen shot a huge load of spunk over a girl's arse and Kirsten moved down my body until her mouth was pressed against my pussy and her tongue was working my clit. With the dirty action on the telly and my mate's tongue slurping my cunt I knew the inevitable was about to happen and my whole body began to tremble as my first orgasm erupted deep inside me as I filled Kirsten's mouth with my sweet juice.

When I'd got my breath back Penny clambered astride me and half stood so her slit was inches from my face. I parted her cunt lips with my fingers and tickled her swollen clit with the tip of my tongue as Kirsten noisily slurped away at my pussy. Penny ground her hole against my mouth as I sucked her and with the

help of Kirsten's finger embedded in her arse, Penny soon shuddered to climax and I gulped down the goo that poured from her gash.

Sliding to the floor in a heap, Penny and I concentrated our attentions on Kirsten, and while I squeezed and sucked her breasts, smearing Penny's come all over them, Penny pumped a couple of fingers in her gaping cunt.

I moved down Kirsten's delicious body and poked my tongue into her slit as Penny continued to finger fuck her. The film was forgotten now as we lost ourselves in a mass of writhing female flesh. Kirsten came all over Penny's thrusting fingers and I licked the mess from her cunt before rolling over onto Penny, snogging her hard while sharing the love cream.

Suddenly, I felt a tongue push inside my tight bumhole as a pair of hands gripped my buttocks. Kirsten probed my back passage as I continued to snog Penny, my fingers slipping into her dripping cunt as we kissed. She came again and I pushed my arse hard into Kirsten's face, relishing the gorgeous feeling of her tongue squirming in my bum. I fingered myself at the same time, working on my twat and Penny's together. A second climax made my muscles spasm and more juice oozed from my hole and down my legs.

Covered in sweat and come we moved into our favourite position on the floor. Each one of us buried our face in the closest cunt, forming a daisy chain on the carpet. Penny sucking my gash, Kirsten sucking hers, while I rammed my tongue as far up Kirsten's drenched fanny as I could. Hands groped trembling tits and arses, fingers probed any holes they could reach and we worked on each other, locked in our filthy embrace. The idea was for us all to come at the same time but we were so turned-on that one orgasm melted into the next and I lost count of the times I came. All I know is my mouth was constantly full of thick sex fluid and my entire face was coated in the stuff.

We continued greedily eating pussy until exhaustion took over and we paused for a while. Resting my head in between Kirsten's wide open thighs, I inhaled the musky scent of her twat while Penny gently licked the goo from my bum crack.

The evening certainly wasn't over though as us three getting clean in the shower together was guaranteed to lead to a whole lot more fun!

Ellie, Hastings.

The London based sexpot Brooke Lea is always ready to party hard, especially when there's champers involved.

"A night out without my favourite tippie is no night out at all. So I've always got a bottle of fizz in the fridge just in case."

Are we in the presence of a true party girl then?

"I wouldn't say that, I love going out, but I'm equally happy to stay in if there's something to wet my appetite."

Your favourite tippie you mean?

"Not quite." She replies with a wink.

Hold onto your hats gentlemen; Spencer Scott is hanging out by the pool, literally in a very cosy looking hammock.

"I could just lie here all day it's so comfortable."

And we could just stand here all day watching you though we're not sure how our trouser department would manage.

Laughing she says "You silly goose; it wouldn't take you two minutes to finish off, so all day might be a bit long."

Spencer has us there, but when you're hotter than fire the poker tends to reappear quickly, or in Miss Scott's case never go down.

Recently we were lucky enough to join Ella Hughes on the sofa for a little *tête à tête*, as the glamour puss fills us in on what's she's been up to.

"Lots of work and lots of play, but seeing as work never feels like work, I should just say all play."

Would you say this is your dream job?

"It's not something I thought about doing growing up, I just wanted to do something I loved. But I love this, so yea, I guess this is the dream job."

There aren't many people who can boast that at 22-years-old.

"I've always been a lucky girl in more ways than one."

So while Ella is fulfilling her dreams, she will be filling ours.
